[www.dryiceandgases.com](http://www.dryiceandgases.com)

We have supplied dry ice blasting pellets (1/8") and dry ice blocks to blast cleaning companies for 20+ years and fully understand the importance of dry ice quality and a quick turnaround for customer satisfaction.

After many years of supplying blasting pellets for a wide variety of blast cleaning jobs, we know exactly what you're looking for. This allows us to move quickly when a customer is in need of a rush order.

Our container totes hold up to 230kg of blasting pellets. Totes have a plastic liner to keep the blasting pellets fresh. Wheels on the totes allow ease of handling.

We are conveniently located a 5 minute drive North off the the Gardiner Expressway at Islington Avenue in Toronto which gives us easy access to the major highways and a large delivery area. Call us now on 416-252-7137 and see what we can do for you.
